

Stage 1 of Drought Emergency:

Stage 1

- A. No person or entity shall cause, permit or allow;
1. The continuing of any leak or waste from any water pipe, valve, faucet, or device connected to the Town water system, or which utilizes Town water, on or in any premises owned, leased, managed, operated or controlled by such person or entity.
 2. The washing of any vehicle by means of a hose, fire hydrant, or other active source connected to the Town water system.
 3. The washing of any street, sidewalk, driveway, outdoor areaway, outdoors steps, building exterior or other structure by means of a hose, fire hydrant, or other active source connected to the Town water system or which utilizes Town water.
 4. The use of water from any source for any ornamental purpose, including but not limited to use in fountains, artificial waterfalls, lakes and ponds.
 5. The use of water from the Town water system to water any lawn, golf course, ornamental shrub, plant or tree, except that:
 - a. Town water may be used to water any lawn, tree, shrub, garden, or golf course greens and tees only from 6:00AM to 7:00AM and 9:00PM to 10:00PM.
 - b. Town water may be used at any time to irrigate, from a hand held container, vegetables or fruits grown for human consumption.
 6. The use of water form the Town water system to fill or maintain the water level in any swimming pool, except that, provided the pool is operated with recirculating equipment, Town water may be used to fill the pool once during each calendar year, and thereafter may be used as necessary to maintain the water level in such pool.

Sanctions:

- a) Violations of this regulation shall be punishable by fines and penalties established by Chapter No. 177-36 of the code of the Town of Ulster entitled "Penalties and Fines".
- b) In addition to any penalties which may be imposed by the Town Board, where a leak and waste notice has been served in accordance with Town Board rule and the condition to which such notice relates has not been corrected, a penalty of up to \$250 per day be imposed by the Water Superintendent and added to the water rents relieved on the tax roll.
- c) Water service may be terminated for violation of any provision of this regulation or for any waste of water.
